Download Free Preview for more Detail! An open letter to all one-man entrepreneurs... "How To Get More Things Done, Get More 'Hours' In A Day & Discover The Secrets To Supercharge Your Productivity For Maximum Profits!" From: INSERT YOUR NAME HERE Today's Date Is Friday, May 28, 2010 Dear Beginning Entrepreneur, If you are like most people just starting out, building a business is very daunting, especially if you are starting out alone or with a partner whose guess is as good as yours. Think about it... You have a lot of ground work to do. You don't have the deep pockets to shortcut some areas in business, and you are relying solely on your own effort to get the ball rolling. No wonder 9 in every 10 businesses fail every 5 years! But everyone wants to stay out of that statistic. The good news is... YOU can! "Introducing Ultimate Productivity Mastership..." Secrets To Supercharge Your Productivity For Maximum Profits! Ultimate Productivity Mastership Ultimate Productivity Mastership is a video series - broken into 4 different sessions - on how you can maximize your limited resources in time, effort and money and trade them for higher gains in business! Consider this the discipline building program for success. Here's What You Will Discover: Module 01: The Power Of One -- Flash Video + MP3 Audio + PDF Transcript Included! Working alone and starting your own business from scratch with little certainty of the future is very daunting. I expect you to be like most people who are just starting out - scarce resource in both time and money. "The Power of One" reveals breakthrough methods to empower yourself to focus your efforts for effects - trade effort for amplified results. Module 02: Managing Yourself -- Flash Video + MP3 Audio + PDF Transcript Included! How to set priorities and time management for your business game plan Eliminating 'time vampires' - how to get rid of counter-productive tasks and activities that do not empower you to build a profitable business and yourself as an entrepreneur! Accountability Partner -how to find a person or people with like-minded goals you can work with on a synergistic level And much, much more! Module 03: Acquiring Productive Skills -- Flash Video + MP3 Audio + PDF Transcript Included! How to get more hours in a day - find out how you can speed up irreplaceable tasks like reading, writing and any effort that leads to building the bricks for your online business. Discover the 80-20 rule and what they are when it comes to your personal life, social life and

business life! Module 04: Reward, Rinse & Repeat -- Flash Video + MP3 Audio + PDF Transcript Included! Why and how to reward yourself with rest every now and then why the idea of "working hard for almost a year and going vacation for 2 weeks" is an obsolete idea - and embrace the mindset of the "new rich" aka mini-retirement plans! "Get Your Copy Of Ultimate Productivity Mastership Today..." If the information in this guide can help you minimize your learning curve, maximize your productivity, trade your effort for 10 times the results in business bottom-line... how much are all these worth to you? Get your copy of this download today for just \$497 \$197 \$47.95 only! Personal User Rights!
