"Now You Can Earn Instant Commissions From Your Wordpress Blog On Complete Autopilot With Just TWO Minutes Of Setup Time..." Introducing...The WP ViralUnlimited Plugin! What The WP ViralUnlimited Plugin Does: WP ViralUnlimited adds an INSTANT COMMISSION photo ad to the beginning or end of every blog post you make, on complete autopilot. When your readers click on the ads and make purchases, you will earn between 50-100 INSTANT commissions, paid directly to YOUR PayPal account. Our affiliate program and product lineup are geared towards "Internet Marketing" tools and training. Check out the sample ads below to ensure that these types of products are a good fit for your blog readers. We only accept IM targeted blogs into our network at this time. We are constantly adding brand new products to our lineup, and new ads will automatically show up live on your blog within an hour of being added to the system. There is nothing for you to "do" or update, we handle everything automatically and only show our highest converting offers. We make money when you make money, and the long term relationships we develop with our affiliates can't be beat! We'll do everything we can to provide you with up to date, hot selling offers that convert your clicks to buyers.
