Tina herself plays piano, guitars, marimba and hammer dulcimer, and once again proves herself a talented multi-instrumentalist, writer and producer. The Silent Awakening is a journey of a woman's coming of age; the story of a girl as she wakes from a dream of being lost in a lonely world and finds herself in a palace of the earth's delights with the sky as her limit. Inspirational, uplifting, magnetic and moving, the Silent Awakening accentuates the pure and enchanting, as well as the deep and luxurious tones of Tina's magnificent voice.
