Not Rasta Reggae... If you love that white boy reggae vibe, you will love the illsaucе. 13 MP3 Songs

ROCK: Roots Rock, WORLD: Reggae Details: The illsaucе is a 5 piece NOT RASTA REGGAE/punk band from Bozeman, MT. They formed in a small room at Big Sky Ski Resort and have been redefining ever since. They have musically matured and grown to share the stage with such artists as; Carlos Washington, Wu Tang, Abstract Rude, Psyche Origami, The Chicharones, Josh Martinez, Ric Parnell of Spinal Tap, Souls of Mischief, Big Head Todd and the Monsters, REO Speedwagon, Warrant, Creedance Revisited, Tea Leaf Green, Blue Oyster Cult, Sweat Shop Union and many more. The illsaucе is making the crowds move and sweat to the melodic vocal harmonies, and hard hitting not rasta reggae dub style known as the illstylee. They fuse a high-powered blend of reggae/rawk into a style of their own. We are always being compared to Sublime, and I used to hate it, now I'm stoked about it! singer Eric (schwan-e) Swanson says. Although Sublime is a big influence so is Bad Brains, Jack Johnson, Mark Knopfler, Stoopid, and Bob Marley." I feel the ill style draws from many sources. The connection and chemistry between the members of the illsaucе comes through loud and clear transforming any room into a positive vibration. The band recently released there debut studio album called "After the Breakdown", with several thousand copies already sold it is proving to be a fan favorite. The illsaucе has also released a new live album called "illsaucе LIVE and Hardly Acoustic" recorded live in Bozeman, Montana featuring special guest MC Natural. The cover art for "Hardly Acoustic" was created by friend and artist Jrod. jrodartNo matter what you pick up by the illsaucе it is sure to contain RAW ill!!!!
