A hypnotizing collection of 80's influenced music, hard hitting beats and personal vocals with a Detroit punch. 13 MP3 Songs ELECTRONIC: Techno, ELECTRONIC: Industrial Details: Gary Martin started Teknotika Records in Detroit in 1993 after 10 years of band projects that involved many categories of music. In 1996 he began djing and has since djed close to 100 times in well over 10 different countries. For examples, the Rex in Paris, The Liquid Room in Tokyo, and Hart Plaza in Detroit. In the 2001 Detroit Music Awards, Mr. Martin was a nominee for Best Electronic DJ Performance. Garys records have been played by, charted, and used in mix cds by a countless number of djs. Jeff Mills the Exhibitionist, Ben Sims Escapism, and Miss Kitten On The Road to name a few. His Label has over 40 releases and promoted over 10 different artists. The roster includes: Gary Martin, Futago Technologies, The Sense, Elliot Taub, Gigi Galaxy, Deetron and more. Gary has also released on a number of labels, Exceptional, KMS, Ingoma, Flux, Eye Q, Mole People and more. Lets not leave out the remixes (such as Gus Gus) and the license deals (such as Sony). Ok, now you want to know about the classics. Black Forest charted 8 times in one issue of Groove magazine in Germany. Casa Cugat was a huge club and radio hit in Turkey. Ritual Fire Dance and Pimping People In High Places were also huge club hits in Europe. In both his dj sets and his releases Mr. Martin makes techno the tasteful choice of music.
