Pete recently returned from Cairo where he beatboxed and drummed with the Egyptian King of Tabla, Said El Artist (saidelartist.com) and New York City based percussionist Raquy Danziger (raquy.com) Pete often performs as a solo act creating and layering live loops of beatbox, guitar and vocal textures to build hypnotic songs with the intensity and power of a full band. He is also a founding member and beatboxer of the East Coast Tribal band DJINN. Pete is also a composer and percussionist for the belly dance group PURE (Public Urban Ritual Experiment puredance.org), and he is an artist in residence with the HYBRID performances organized by Sarah Johansson Locke of Alchemy Performance (alchemyperformance.com). Pete is also an accomplished animator and director specializing in stop-motion character animation as well as many other animation techniques for commercials, music videos, and childrens programming. Petes releases The Amazing Headless Boy and re:peter as well as DJINNs The Middle East Side are available on cdbaby and itunes or through his website petelist.com.
