

Gospel According To Matthew

Pasolini's humanizing epic vision of Matthew's Gospel Famed filmmaker Pasolini's sweeping "humanizing" lavish production, faithful to traditional church teaching, is breathtakingly beautiful and inspiring. In a documentary type style, with images reminiscent of both the Masters and Fellini, you feel as if you are actually there in the Holy Land, from Christ's birth to meeting those who would become disciples to the Crucifixion. The musical score is magnificent with Prokofiev, Bach, Moazart, and much more! Italian with English subtitles, letterbox, this version is from the commisioned restoration of the movie.
