Her new CD, Bhavana, carries her devotion into every note and nuance. Youll definitely want to add her debut CD to your library. The delightful sound of Bronwin Rhodes' voice carries the depth of her devotion on her new CD, Bhavana. Bronwin's debut CD was released after nearly eight years of her own devotional chanting practice and leading weekly kirtans at Yoga Oasis in Tucson, Arizona. Bhavana is a collection of her melodies in devotional Sanskrit chant form that have been brought to life with help from contemporary and traditionally influenced musicians including Benjy Wertheimer. Bronwin has been inspired by John Friend, Krishna Das, and many others including the goddess power and love of countless women. -Currents - June 2007
