

An Alchemist S Drums

[DOWNLOAD HERE](#)

Being schooled by Cypress Hill's DJ Muggs can turn you into a good beatmaker, right? Producing tracks for Dilated Peoples can shape your production style... and... Hooking up with East Coast's Mob Deep can add a lot of NYC flavour to your beats... Don't you think? Well that's the story behind The Alchemist. Born and raised in California, his style of beatmaking sounds like that of a New York producer. He's been an underground producer for a long time, then after working with Mob Deep, he gained recognition. Ever since, he has produced for prominent artists, such as Nas, Fat Joe, Jadakiss, Ghostface Killah, The Game and Snoop Dogg becoming one of East Coast leading hip hop's producers. His production styles feature a lot of keyboard, trumpet, and sampling from old school R&B. He doesn't use any drum loops even though a lot of his drum sounds are sampled from vinyl. He prefers his drums clean and groovy. Bass drums hitting hard on the bass notes. and HiHats dropping only on the 1/4 notes and maybe a HiHat in the back counting 16ths. Well, for all you that know what I'm talking about.... Nuff Said... The Hip Hop Workshop is proud to present: "an Alchemist's Drums" Drum samples that match the beat production style of The Alchemist!!! This drum compilation is made by a beatmaker/producer for other beatmakers!!! This compilation contains: 190 Alchemist Bass Drums 176 Alchemist Snare Drums 067 Alchemist Hats (HH+OH) 023 Alchemist Shakers 018 Alchemist Tambourines 017 Alchemist Rides 010 Alchemist Crashes _____ 501 Alchemist Drum Sounds
