About David Blaine Born in Brooklyn on 4th April 1973. David learned his trade by performing close up street magic for small groups on City streets in America. Over time, David moved from small scale stunts to highly publicized and dangerous feats such as being buried alive, encased in a block of ice, standing on top of a 90 foot pillar for 2 days and more recently being 'drowned alive' inside a water filled glass sphere for 7 days. For several years now, David Blaine has amazed the public with amazing and seemingly impossible feats such as levitating in front of people, bringing dead animals back to life, putting playing cards through glass windows, twisting his arm over 360 degrees and biting through coins. Learn Davids Secrets Are you ready to learn Davids magic secrets? These never-before-revealed methods show how you can stun people with the same tricks and effects that David has wowed audiences with for several years now. Davids tricks have been exposed by a master magician who has had to keep his identity secrets for fear of repercussions from officials at the Magic Circle. Each magic trick is explained in great detail so you have the chance to understand, practise and then master them in preparation to use them to impress your friends or strangers at parties or even in the street....just like David Blaine!! _____ Abracadabra -- Choose a card, any card... The bottle is then handed to them and the beer spills all over the place...so sorry about that. Everlasting Ash: A friend is challenged to see who can smoke the longest distance without losing any ash. You'll win every time...if you smoke. Liquor Switch: One shot glass is filled with water and the other with whisky. The challenge is getting the whisky in the glass that has the water and the water in the glass that has the whisky without using any other containers, including your mouth. Curious? Penetrating Ashes: The magician takes a cigarette and rubs some of the ashes into the spectators clenched fist until the ashes disappear. He then says some magic words and asks the spectator to open their fist. The ash has penetrated onto their palm! Coin Island: One glass, a matchbook, six coins, and an ashtray with water in it. Bet your friends one drink that you can get the water out of the ashtray using only the ingredients mentioned and without moving or tilting the ashtray. The Bar Balance: Balance 3 empty beer glasses on top of each other on their outer rims, without the help of any other object whatsoever!
