Track 1 Latin Heart (Corazon Latino) has a Jazzy acoustic feel combined with traditional Spanish guitar sounding phrases that start you off and lead you through a road of transcendent melodies. By the time youre at track 5 you are in your own world invoked by the quiet passion in these songs. The sixth tune Baila Para Mi Tracy G has friends and family playing backup. This song is a little more orchestrated and has some piano lines delivered by player Mike Lotz that are reminiscent of a high energy Bob James track a great mix . Track 12 is the only tune with all electric guitar. Titled EL Chapulin named thus because it reminds Tracy Gs mother of a funky lil grasshopper hopping around, this tune has a funky edge to it complete with a little wha-wha pedal. The last track is a dialogue between 2 guitars that carries an underlying upbeat melancholy a forgotten friend or lover may be brought to mind, it is easy to daydream to.
