Looking for a simple to use ecommerce website to sell your goods online? Look no further! No costly merchant account required! Works with PayPal! The simple PayPal shopping cart solution! Easy to run! No programming knowledge required! No costly merchant account required! Add products through a simple web-based admin! Everything you need to get your business online! Easy Shop is a complete out-of-the-box online store and is the easiest to use ecommerce shopping cart solution ever created. With Easy Shop, ANYONE can do business online! Designed as an alternative to applying for a costly credit card merchant account, Easy Shop works with popular online payment processors such as PayPal and Nochex. Everything is configurable through an easy to use web-based Store Admin Area, with clear instructions in PLAIN ENGLISH, (with NO technical jargon!) so its ideal for beginners as well as more seasoned sellers. Easy Shop incorporates a shopping cart, ecommerce website and web-based store administration area all in one. Ecommerce was NEVER this easy before! Website Features: Manage your store online via your own easy to use web-based Store Admin Area. Easily add unlimited products, complete with pictures, descriptions and prices. No merchant account required! Take online orders with popular payment gateways such as PayPal and Nochex. Easily change the prices and edit product descriptions to your own taste. No need to add PayPal buttons. Simply enter your PayPal email address in your Admin. That's it! Easily select your preferred delivery methods, including postal and courier services. Keeps an easy to manage record of all customers and orders online. Easily view products purchased and monthly sales reports. Works with UK Pounds, US Dollars, Euros, Australian Dollars or Canadian Dollars. Create unlimited categories and subcategories. Set your own delivery rates depending on the total PRICE of the customer's basket. Print sales receipts from your Admin which you can send to your customers with their purchases. Automated built-in links page where other websites can exchange links with you. Easily send newsletters to all your customers with your own built-in Newsletter Manager. Readily search engine optimized to help your website rank in the search engines. Add your own keywords and meta tags through your Admin to help your search engine ranking. Choose whether or not you want to charge VAT or tax. Option to easily add Google AdSense code to your store. Displays

random featured products every time the front page is visited. Text and colours and are completely customizable. Editable About Us and FAQ pages that can be customized in Admin. Editable prefilled Terms And Conditions and Privacy pages. Includes simple instructions in PLAIN ENGLISH on every Admin page. Includes an easy to understand PDF installation manual. Plus many more features! ACT NOW and receive these bonus products FREE: Free Bonus #1: Choosing The Right Web Host by Mikey J. If you are new to web hosting or are confused by all the technical jargon that web hosting companies spew out, then this informative e-manual will help you understand all the confusing factors around choosing the right web host for you. The eBook also explains how to accept credit cards online, how to register a domain name, plus much more! Free Bonus #2: Simple Guide To FTP by Mikey J. This helpful e-manual is an excellent guide to using an FTP programme and provides lots of hints, tips, step-by-step instructions and screenshots to help you upload files to your web server. An excellent resource for those of you who are new to uploading website scripts. Free Bonus #3: The UK Trade And Wholesale Bible. Looking for online wholesalers? Look no further. This eBook lists 100s of UK wholesale websites, all neatly organized in categories. It also lists UK auction houses and includes helpful business resources. Web Hosting Requirements: To operate this website, you will need Linux/Unix web hosting with PHP 4 or 5. It is RECOMMENDED that your web hosting has a CPanel Control Panel with PHPMyAdmin and My SQL database. It is NOT guaranteed to work properly on web hosting that DOESN'T have CPanel. To install this website, you should have a basic knowledge of file uploading. If you haven't got a domain name or web hosting, there are recommended web hosting and domain companies in the PDF installation manual that comes with this website script. We like to make it easy for you! :) This product comes with FREE MASTER RESELL RIGHTS! You are allowed to sell copies of this product to your customers and keep ALL the money you make from it! You will also receive a readymade HTML sales page to use on eBay or on your website to resell this product! With Master Resell Rights, you can ALSO give resell rights to your buyers!
