Virtuosic, passionate, playful and danceable Argentine tango and electro tangos 15 MP3 Songs LATIN: Tango, ELECTRONIC: Electronica Details: Delicious acoustic Tangos filled with playfulness, layers of musical boleos, saccadas and colgadas, garnished with embellishments and sprinkled with good energy! Can you tell I just came from dancing when I wrote this? If you dance Tango, you can actually dance to all but 1 track. If you don't dance, the music will get you so excited you won't resist the temptation to take Tango classes :-)) and many tracks are really playful and inspired arrangements, so we hope you'll enjoy just listening What's in the album? timeless tangos electro-tangos; classics in the style of D'Arienzo, Roberto Grela, Leopoldo Federico and Anbal Troilo, but also the more modern style of electro-tangos which fuses the acoustic instruments with electronic beats and synthesized sounds. With the collaboration DJ Ben Hester, we aim to incorporate the Nuevo Tango sound, while keeping it really danceable and fun. Take a listen and buy this CD! And feel free to write a review of this CD if you liked it, since its very difficult for us to describe our music For more info, videos, pictures, and a story on Tango, visit our website: TrioGarufa.com People who are interested in Astor Piazzolla Gotan Project should consider this download.
