

# Pumpguns - Patent Document Collection

[DOWNLOAD HERE](#)

Patent document collection "Pumpguns" 79 patents - together approximately 680 pages of paper (if printed) From national and international patent databases. Patent documents in German, English and French. Description of content: The technology compendium for all fans and lovers of Pumpguns. A unique documentation of many decades of technological history. In this extensive patent collection you will find almost all developments of Pumpguns from the years 1880 to today. Here you will receive comprehensive technical descriptions and detailed drawings of complete weapons, barrels, locks, magazines, target equipment, component parts, manufacturing processes and much more. And all this at around 680 pages! Extremely valuable and useful material both for technology fans (better and more accurate than any manual technique!), As well as for historians, Clubs & Societies, or just for fans of these weapons. Each document is structured so that the invention in text and drawings more closely described and displayed. This enables you to understand design and function of the invention in all details! All patent documents in PDF format. The PDF files can easily be read on screen or can be in any desired print size. The possible use of brand names in this offer is only item description and the unique assignment of the product. The product is not directly linked with the brand owners or their representatives.
