

Reflexology - Techniques & Accessories - Patent Document Collection

[DOWNLOAD HERE](#)

Patent document collection "Reflexology - Techniques & Accessories" 84 patents - together approximately 890 pages of paper (if printed) From national and international patent databases. Patents almost entirely in German language. Description of content: Are you a masseur or a physiotherapist and looking for suggestions for the massage of the reflex zones of the human body? Then you are exactly right! In this unique document you will find extensive collection of suggestions, descriptions and detailed drawings of reflexology massage techniques and tools for such treatment. At 890 pages! In this comprehensive collection of patents can be found: massage techniques, tools and equipment, information about acupressure and acupuncture, shiatsu and much more! You also find exciting inventions from this area, which never came on the market, because the production was too expensive or no license partner was found. Each document is structured so that the invention in text and drawings more closely described and displayed. This enables you to understand design and function of the invention in all details! All patent documents in PDF format. The PDF files can easily be read on screen or can be in any desired print size. The possible use of brand names in this offer is only item description and the unique assignment of the product. The product is not directly linked with the brand owners or their representatives.
