"Earthy, sensual and moving...a truly unique style that you really can't label. Greek, East Indian, and Middle Eastern musical influences combine with Western sounds to make some pretty wonderful world music. Nana splashes aural color with great skill." 9 MP3 Songs WORLD: World Fusion, WORLD: Middle East Details: Nana Simopoulos is a musician who draws her melodic color from the map of world cultures. She plays sitar, bouzouki and sings. Nana also "...writes personal music with multi-ethnic influences and surrounds herself with excellent musicians. The recording is full of exotic sounds and seductive rhythms to grace our ears. The Express "Nana Simopoulos has been at the nexus of world fusion music for over a decade". John Diliberto, ECHOES radio "A surprising ray of light... influences of various cultures which are integrated to such a degree that their origin is no longer clearly recognizable ... the results are convincing because of their very own musical flavor." Tages Anzeiger, Switzerland "One of the most beautiful contributions over the past few years was made by Nana Simopoulos' new album... whose debut album, by the way, won the "critic's choice" award. This was very much in order, because this ...composer excels in blending the products of various cultures. Nana Simopoulos draws from a rich fund without ever getting lost in indiscriminate pluralism..." LPS. W. Germany
