

The Best 04-05 Rhino 660 Service Manual

[DOWNLOAD HERE](#)

This is a professional downloadable manual. The morons at eBay have decided that downloadable auctions are no longer allowed. I raised the bar on customer service perfection there, I will do the same here. Please contact me with any questions or problems, I'm here to help. I will work harder to satisfy you than any of my competitors on the internet. I have successfully completed over 14,000 auctions on eBay with a 100 overall positive feedback rating. I have the professional version of the full service manual that covers the 2004-2005 Yamaha Rhino 660 available for download. Unlike the other sellers, my manuals have a clickable index so you don't have to dig through hundreds of pages looking for what you need. This manual on CD contains hundreds of pages packed with photos, exploded views, & diagrams including : General Information Maintenance & Adjustments Engine & Transmission Fuel System & Carburetion Cooling System Drivetrain Chassis & Brakes Electrical System Wiring Diagrams Service Information Technical Specifications Troubleshooting & Repair. This ATV repair manual can save you money on maintenance and repair. Step-by-step procedures and detailed illustrations guide you almost anything task you would ever need to perform on your ATV. This manual was professionally set up with an easy to use menu in PDF format, not scanned manual pages with no menu that were compressed for into a small file size for downloading or email like many on ebay. This manual on CD is fully printable, you can print 1 page, 1 chapter, or the whole thing. Most of my customers just print & put it in a 3-ring binder, if you get a page greasy, just print a new one. I have permanently embedded my logo using 256 bit encryption on every page so other sellers cannot steal my items, this will not interfere with any text or pictures in the manual. This CD also contains extensive copy protection. Why spend \$70+ per hour labor at your local dealer when you can do it yourself, most maintenance is easier than you think. If you save just 20 minutes of labor from your local dealer you have paid for the manual. Once you have downloaded your manual you may back it up to a CD/DVD or any other method you would like. You cannot back up many of my competitors manuals; You run the risk of losing the data and having to re-buy the manual. All of my manuals are make, model or year specific, not vague generic manuals like many available.
