Tuneup Utilities 2008 -full-

DOWNLOAD HERE

It's difficult to start up Windows. It takes a long time to shut Windows down. Programs take a long time to open. Games stall while loading. Are you also under the impression that your PC's performance is getting worse? Eliminate the speed brakes in your system and avoid time- consuming new installations. TuneUp Utilities 2008 helps you to optimally accelerate Windows, programs, and games and to bring your system back up to speed. TuneUp Drive Defrag Effective defragmentation for hard drives * Significantly shortens the startup times of Windows, programs, and games * Intelligent defragmentation provides for a noticeable boost in speed * Optional automatic defragmentation in the background TuneUp Registry Defrag Defragment and repair the registry * Reduces the number of fragments within the registry * Repairs structural defects * Releases unused memory TuneUp StartUp Manager Prevent the unwanted starting of programs * Acclerates system start-up * Displays automatically executed programs when Windows starts up * Also lists programs not in the autostart folder * Provides clear recommendations for and descriptions of several thousands of programs TuneUp System Optimizer Optimize Windows and accelerate Internet speeds * Improves the system's performance * Acclerates surfing and downloading of files * Offers extensive advice for accelerating the system Now with Windows Vista Support ! Expand the possibilities of your operating system:With TuneUp Utilities 2008, your system will be faster, morecomfortable and more secure. All important aspects of systemconfiguration, security, cleanup and maintenance can be accessedthrough a modern graphical interface. TuneUp Utilities 2008 optimizes the performance of your computer, solves problems and helps you to customize your system to suit your needs. TuneUp Utilities 2008 has many new features! With numerous new and improved features, TuneUp Utilities 2008 hasbecome the premier tune-up solution for Windows operating systems. All improvements from the prior version can be found : TuneUp Utilities 2008 - Start Center TuneUp Utilities is made up of many useful modules that can all beaccessed from a common Start Center. This Start Center is divided into five categories to make finding individual modules easier. Reliable Protection for Your Data TuneUp Disk Doctor performs a thorough analysis of your disk drives andtheir file systems. If errors are found during analysis, they can beautomatically repaired to prevent data loss. Simple Hard

Disk Organization Get a quick overview of your entire hard disk with a single click.Identify and eliminate unnecessary files and gain valuable free space. Simple Windows Customization Configure all of your important Windows settings to meet your needs,secure your system and expand the functionality of Internet Explorer 7and Firefox 2. Perfect Error Correction Installing and working with applications can often cause errors in theWindows registry. With a few clicks, you can easily find and correct these errors. Simple 1-Click Maintenance Run regular maintenance functions with a single click - fullyautomatically, if desired! Configuring the system, making backups andperforming maintenance can be easily carried out using the intuitiveuser interface. Optimum Start Acceleration Decide for yourself which programs should be run on Windows startup.Find and remove unnecessary items that slow down your system so thatyour computer will work and start up faster. Internet and Windows Acceleration Enjoy faster surfing and faster Windows operation. Items in yourWindows configuration that slow your system down are detected andfixed. Your Windows registry will be defragmented to give youadditional speed. Secure Data Rescue and Deletion Easily restore deleted files. Permanently and securely delete sensitive files with the secure DoD 5220.22-M and Gutmann methods. Individual Windows styling Give Windows an individual style! Change and expand the interface,replace symbols and even change your Windows XP logon and startscreens. Our download area continually provides new additions to giveyou a much-needed change of style.
