Urban campfire blues and with a quirky pop.. 12 MP3 Songs POP: Quirky, FOLK: Modern Folk Details: Pauline first came onto the scene as part of UK dance act Faithless. Going on to write and sing with the likes of Dido, Skinny, Jason Sparks and Dusted. But it is with her own music that she really shines. Following critical acclaim for her first self titled album, Pauline returns with the stunning " A Simple Life". Her eclectic musical style has had all descriptions thrown at it, including "folking soul" and "urban campfire blues". But when it comes down to it the songs are great, the melodies beautiful and the lyrics meaningful. Pauline has been exciting audiences with her superb acoustic, live performances. Where the full passion and texture of her vocals are simply breathtaking. A Simple Life is sure to put Pauline amongst the best of today's singer-songwriters.
