Details: GEARY HANLEY is a versatile singer/songwriter/musician who established a reputation as a great country honky tonker. His talent landed him on tour with John Schneider (Dukes of Hazzard) for 2 years, and has appeared on Austin city limits, Nashville Now, and Farm Aid 1 and Farm Aid 2. He has performed on stage with Reba McIntire, The Judds, Alabama, Merle Haggard, George Jones and Johnny Tillotson, among many others. Among his many accolades, Geary was honored as Rhythm Guitar Player of the Year and his band was honored as Band of the Year by the Academy of Country Music. Music Connection Magazine selected his band as Best Non-Touring Band of the Year. Geary continues to perform regularly, and he also produces demos and master tracks for songwriters via mail and in his studio. In both of his successful Nashville albums, he sang mostly honky tonkin songs by talented songwriter, Peter Richardson. However, he is just as adept when singing all kinds of traditional and Americana music. In this new album, Geary gives his sincere interpretation of a variety of songs, including ballads and up-tempo certified country tunes. If you are a friend of certified country music, give these songs a listen. RGO Records
