Viral Mini Sites are websites that you can setup in a few minutes, promote one-time and profit from for months (or even years) to come. Some internet marketers have spent years trying to build just one truly hands-free, money making website without even a sniff of success. The FORMULA Revealed In fact, until just recently, only a handful of underground internet marketers with deep pockets knew the FORMULA to cranking out these kinds of websites. Why? Because you must get the formula for generating viral Mini Sites exactly right or they just wont work. Now before you even ask, let me give you the elements of this formula The secret to setting all of your sites on complete, money-making autopilot is to automate the 3 most crucial components of your marketing campaigns NO Rights! Requirements: The software is for use only on PCs running Microsoft Windows. Your website must support PHP and MySQL (most paid for web hosts support these as standard). _____ See My Store For More Deal!!!
