Trance/ambient... Leather/Dungeon "Music that Fits" 7 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Trance Details: TONY BARRE / BARRE PARTS (Press Release for CD) Tony Barre/Barre Parts 72-877 Dinah Shore Drive Suite 103/180 Rancho Mirage, Ca 92270 760-343-4279 tbarre@barreparts.com BARREPARTS For Immediate Release (Palm Springs, California/October 2004) Music That Fits... Tony Barre's debut CD "Barre Parts" is HOT. Barre has written and produced a CD delivering over 60 minutes of erotic soundscapes in seven simmering audio tracks designed to heighten the senses and set the scene. No Vanilla here... "Barre Parts" is a mix of music and sound, which Barre calls "soundscapes", due to their inherent textures and depth. Moans, groans and other dungeon artifacts, mixed with Ambient, Trance and a hint of Rock for good measure, urges on all comers. Imaginations may begin to wander to their innermost fantasies with titles like ""You Know What to Expect", Stiff Proposition", "Everything is Reasonable" and "Enjoy the Ride". . . exactly what the Artist had in mind Tony Barre's soundscapes have set the scene for a number of Hot Desert Knights video releases and the "Barre Parts" CD is currently available online through HDK distributing and through Tony Barre's website at barreparts.com A long time resident of the Palm Springs community and crafting and producing music for many years, Tony is currently working on another CD as a follow-up tentatively titled "Barre Handed", and another video project with HDK set for release by year's end.
