Sounds just like --- well, THE WEAVERS . 15 MP3 Songs FOLK: Traditional Folk, FOLK: Political Details: The last original Weavers album ever recorded! ...and unavailable ANYWHERE for the last 15 years. We have discovered a lost cache of TOGETHER AGAIN, the last CD recorded by the original four Weavers (Pete Seeger, Lee Hays, Ronnie Gilbert and Fred Hellerman). The album was recorded at Carnegie Hall on November 28, 1980 during the concert that was the basis of the award winning film: THE WEAVERS: WASN'T THAT A TIME. These CD's are the very last of them and are not available in any stores. Songs include: Darling Corey, In A Jocular Vein, Get Up and Go, Tomorrow Lies In The Cradle, Wasn't That A Time, Dark As A Dungeon, Hay Una Mujer, Venga Jaleo, Kisses Sweeter Than Wine, When I'm Down For The Count, All Night Long, Something About The Women, We Wish You A Merry Christmas, Wimoweh, and Goodnight Irene. **** "One day while chopping wood Pete Seeger thought 'It would be good to assemble the Weavers and have a concert.' So, calling the Weavers together, Pete said, 'Why don't we have a concert?' And the Weavers' manager responded by saying, 'We'll have two concerts!' And so it came to pass that on the fifth and sixth day of a Thanksgiving week the Weavers gave concerts. Throngs of people attended and a good time was had by all. The morning after the second concert three of the Weavers slept late. On that seventh day Pete Seeger got up and chopped more wood." Lee Hays
