

New England Seashore, Sounds For Relaxation And Meditation

[DOWNLOAD HERE](#)

The classic sound of ocean waves washing up on a deserted sandy beach in New England. If you want nothing but the pure sound of waves for relaxation, meditation, or sleep, then this track is what you're looking for! A stereo microphone is set on the beach about 10 feet back from the water's highest point, creating a more distant sound than the other ocean tracks, "SoCal Beach" and "Pacific Tidepool", which have a more immersive sound. Approximately half an hour long. Please visit moodstreams for more soundtracks and samples. Tags: sea
