ELECTRONIC: Ambient, CLASSICAL: Contemporary Details: So beautiful and arresting that it forces you to stop whatever you are doing and just *listen*. Zoe is a member of RASPUTINA, and her cello playing can be heard on discs by the likes of CHARLES ATLAS, TARENTEL, JOHN VANDERSLICE, LAUGHINGSTOCK, and more. On "One Cello x 16", Zoe Keating layers the natural sound of the cello to create a densely textured, rhythmically and melodically rich soundscape.
