

# Bux To Clone Php Script - Your Own Paid To Click (ptc) Website

[DOWNLOAD HERE](#)

Start your own Paid To Click website just like Bux To and watch the bux roll in. Easy to install and hugely popular with internet users, a paid to click website is the perfection addition to any webmasters portfolio. Advertisers will through money at you to get their ads in front of your highly targeted users. Installation Instructions ----- Its very easy to set this up, just follow these steps: 1. Open the bux script v6 folder and upload all its content into the root of your website/server. 2. Create a mysql database, and put the mysql database settings into the "config.php" file. 3. Import the file "db.sql" into your database 4. Use your web browser and browse to yoursite.com/admin.php 5. The default admin username is: admin 6. The default admin password is: abcd1234 7. Change your password and any settings you want for your site. Or if you want me to install this script for you send \$20 via Paypal. Contact me for details ----- Requires: PHP / MySQL
