SENSUAL MIND - Producers note: The human brain is capable of the greatest exploits. And yet reason alone will never succeed in fully comprehending the existence of mankind in its entirety. The childness of a soul enriched through carnal sin is needed in order to experience the immeasurable and the irrational. Only once we open up to our sentiments does it become possible to conciliate our thoughts, feeling and actions - and by doing so get closer to our true calling as a holistic beeing. BACK TO EARTH always wanted to create music that moves people - precisely in the way that Plato once said: "music and rhythm find their way into the secret places of the soul." We would be very happy if SENSUAL MIND were to accompany you on this path. WE MARVEL AT THE VAGARIES OF INTELLIGENCE. WHY DO WE OVERLOOK THE VAGARIES OF THE HEART (Seidel) THE EAR AND THE SOUL RECOGNISE REPETITION. BUT THE HEART DOES NOT (Chamfort) RATIONALITY SHAPES A PERSON.
