mind altering ambient soundscapes. this album includes both a stereo cd and dvd-video/dvd-audio (ntsc). the high definition audio is 5 channels of audio at 96khz and 24-bit depth. 8 MP3 Songs ELECTRONIC: Ambient, NEW AGE: Ambient Details: meloncolic ambient soundscapes in stereo and high definition 5.1 surround sound and video this album contains two discs: a stereo cd-r, and a dvd-r. The dvd is a normal dvd-video disc as well as a high definition dvd-audio disc. it's playable in a computer or ntsc compatible desktop dvd player, as well a dvd-audio players. the dvd-video has both stereo and 5.1 surround versions of the entire album. when you listen to the music in a dvd-video player you'll see a photo that inspired the song. there's also videos of two songs on the album. the dvd-audio layer is high definition 5.0 surround sound running at 96kHz/24-bit. this is one of my better sounding albums and is meant to be heard in surround.
