Access even more traffic-generating tools and programs. NEW: With TV 3.0 you can CUSTOMIZE all 10 of the traffic-generating tool links to include YOUR OWN personalized link that pulls in YOU traffic. Not only can you use the traffic-generating tools, but you can customize the software so that when OTHERS use them, YOU benefit too! See inside of the software for more details. Launch your own multiple streams of income profit tool...without ever placing a single ad or promoting a single product. With TV3 you will be able to customize numerous affiliate links to product offers within the software. When anyone purchases a product via one of these links, YOU RECEIVE 50 COMMISSION. Setup your own automated profit generator with ONE click of the button! Details inside the software. Place YOUR Sponsor Ad on EVERY page of the software. In previous versions of the software, you were able to include a 40-word ad of your choice (along with website link) on only the main entry page. With Traffic Virus 3.0 your ad is shown prominently at the top of EVERY page of the software. Check inside for more information. Change your Sponsor Ad ANYTIME you want! A unique feature of TV3 is you may change your 40-word advertisement anytime you want. Want to promote a different program? No problem, just make a few quick changes and your ad is updated! Changing links? With TV3 you can do it in a matter of seconds. Change your sponsor ad as often as you like to promote different products and services of your choice! Details inside the software. No waiting period on customizations! If you choose to "Get Viral" you can access the materials IMMEDIATELY. In the past there was a 48 hour waiting period for customizations...now you can do it immediately after your purchase with no waiting period at all! Check inside the Traffic Virus 3.0 free software for details. How to register as many domains as you want without spending a penny! You'll discover a free service that will actually register your domain names as NO COST to you! Tags: website traffic, software im,plr
