

Yamaha Motif Es Complete Video Guide

[DOWNLOAD HERE](#)

this DVD runs just under 3 hours in length and takes you through all aspects of Motif ES from basic navigation techniques to in depth guides to using the sequencer, sampling, 'Phrase Factory' (multiple arpeggios, preset beats, and the extremely hip Loop Remix feature), and running your ES with a computer in tow for editing, control, and data archiving. Supporting the actual footage are text boxes with hints and tips, and plenty of music to give you a good idea as to how the ES sounds and behaves in the real world. We weren't able to persuade Ben Affleck to get to grips with either playing keyboards in general or Motif ES in particular, so the program is presented by our next best choice: Athan Billias, one of the shakers and movers behind this incredible instrument. Full List of Scenes Introduction to the Motif ES Modes & Navigation Voice Mode Arpeggios Quick Edit Performance Mode Pattern Mode Loop Remix Mix Mode Pattern Chain Song Mode Master Mode Saving & Loading Motif to Motif ES data conversion Sampling Mode 'Phrase Factory' revisited Computer Control
