

# Mp3 Audiobody - Sound. Motion. Theater.

[DOWNLOAD HERE](#)

AudioBody was born on the day that Rock, Pop and Funk beat the snot out of Techno. AudioBody has continued to astound the ears of millions across the planet with their upbeat rythms, jaw dropping beats and uncanny energy. 12 MP3 Songs ELECTRONIC: Pop Crossover, ELECTRONIC: Techno Details: AudioBody's first album "Sound. Motion. Theater." A hybrid of techno, pop, funk and chill. Featuring the hit song "You Gotta Tap" as heard on EepyBird.com. AudioBody was born on the day that Rock, Pop and Funk beat the snot out of Techno. Made up of a rag-tag team of wannabe musicians, AudioBody has continued to astound the ears of millions across the planet with their upbeat rythms, jaw dropping beats and uncanny energy. They dare you to not bust-a-move! AudioBody is like nothing else -but if it was like something else it be like the Chemical Brothers, Daft Punk, Moby and Fatboy Slim -but it isn't! AudioBody has been heard on The Today Show, Good Morning America, Inside Edition, MythBusters, MSNBC, CNN, G4TV and was most recently mentioned in Rolling Stone magazine
