If You Are Tired Of The Same Old Boring PLR, Rehashed And Shoved Down Your Throat And Robbing Your Bank Account, Then Read On. There you are. Sitting in front of your computer, browsing the WSO section and looking for some good quality PLR to sell or give away to your list. But they can only take the "list building 101" PLR and the "Adsense bla bla bla" PLR so many times. Your response rates are dropping, along with your will to live. You need something new. Something fresh. But it just isn't out there. And you don't have the time to spend creating it yourself. Introducing... Wordpress 101: The VIDEO PLR Series The End Of Your PLR Problems! This is a set of 22 videos thoroughly documenting step-by-step the ins and outs of Wordpress from installation to fine tuning the settings that most people don't even know exist! Each video discusses it's topics in an easy to follow manner. If you are doing anything with wordpress, these videos will help! Wordpress 101 covers: * Installation * Dashboard * Posting * Editing Posts * Tags And Categories * Links * Pages * Comments * Themes * Adding Themes * Widgets * Editors * Plugins * Tools * Users * Settings * Media * A Special Bonus. Read on to find out what it is... Wordpress Is HOT Right Now. And So Is Video. The latest version of Wordpress has been downloaded over 8+ MILLION times! Don't Believe Me? There are over 22 million wordpressusers! Don't Believe Me? Youtube gets over 28,000+ hours of video uploaded per day! That's over 3 years worth of video per day! Don't Believe Me? Video is the cutting edge of content right now and the best way to increase your perceived value, (and raise profits) is through video. Imagine... * No more low quality PLR ruining your rep. * No more long winded videos to bore your list to sleep. * Save the time of having to make and edit all the videos yourself. * Revitalize your list with fresh cutting edge VIDEO content. * Sell (or give away!) with a MUCH HIGHER perceived value than standard PLR. Don't You Want The Best Video For Your Buyers? We use a universal standard format for the videos (mp4) so that there is no video conversion issues that only cause headaches. We cut the videos down into bite-size chunks so that your users aren't bored with 30min+ videos that only put them to sleep.
