

# Mp3 Mark Mcmillen - Jazz: Smooth Jazz

[DOWNLOAD HERE](#)

A mixture of Rand B laced jazz vocals, pop ballads, and smooth grooves, with blue eyed-soul. 13 MP3 Songs JAZZ: Smooth Jazz, POP: California Pop Details: This is Mark's second CD, following his debut disc entitled "It's About Time". Here we find the familiar jazz-RandB grooves, and soulful playing and singing that define his style. An eclectic group of tunes which display his many tastes and influences, as well as his range as a writer. Mark continues to play around the L.A. area with his band, between touring with Bobby Caldwell, as he has for the last thirteen years.
