Original, peaceful piano melodies produced by Windham Hill Founder Will Ackerman, who produced George Winston's early albums 13 MP3 Songs NEW AGE: New Age, CLASSICAL: New Age Details: The solo piano melodies for my fourth CD, The Voice, were recorded at George Lucas's Skywalker Sound Studio, and the album was produced by Will Ackerman, Founder of Windham Hill Records and Grammy Award winning producer and artist. This project follows three CD releases, and is my first as a full-time pianist and composer, Pianist of Peace(TM). These thirteen pieces take the listener on a journey that explores a wide range of emotions and themes. I trust that they will bring peace and hope to you in a very unique and personal way. There are two tracks that include the ethereal vocals of Noah Wilding (Captivating and Peace), and two that are accompanied by renowned cellist Eugene Friesen (Tears of Lament and Eternity).
