From the streets of Spanish Harlem comes the change we've been waiting for in hip-hop, Shaun Cruz. The total package of lyrics, truth, beats, and style we've needed for a while now. You remember him and his smash "Cruz Control" on "Showtime at the Apollo" 10 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Spiritual Rap Details: Shaun Cruz is no stranger to the stage, nor to Hip Hop, he has performed, and been featured, at many events such as 88hiphop.com, an internet-broadcasted showcase, Studio Y on the Metro Channel, toured nationally with various acts from Universal Music Group MCA Records. He has also competed and won on "It's Showtime at the Apollo" a nationally syndicated television show, the quarterly "Hip-Hop Speaks" conference and The First Annual Hip Hop Hall of Fame Induction Ceremony, leaving the stage victorious and well respected. Shaun has also performed in various states across the country adding to his loyal fan base that we affectionately call the "CRUZ ONE Family." Shaun's performances at colleges such as Pace University, NYU, Hunter College, Florida A&M and Florida State have established him as an artist identifiable by an audience of diverse lifestyles and backgrounds. Make sure you look out for the debut album release in APRIL 2006!!!!!!
