A prolific songwriter, Shake has written or co-written hundreds of melodies and sold over 20 million songs. Through the years, Shakes songs and albums have frequented the Billboard charts, with many, including Deep in the West, Youve Got a Lover, Put Yourself in My Shoes, One More Payment, and Our Kind of Love being recorded by such distinguished artists as Waylon Jennings, Jessi Colter, Ricky Skaggs, Clint Black, and Alison Krauss. For over 30 years, he has been an ardent supporter of the Kerrville Folk Festival, serving in the capacities of headliner, judge, and former member of the Board of Directors.
