Authentic contemporary roots reggae with heavy riddims and conscious lyrics. The boom Sound. 11 MP3 Songs WORLD: Reggae, URBAN/R&B: Contemporary urban Details: Rising star, Ishi Dube, is a seasoned musician who will surely become a widely recognized name in the world of reggae music. Though, he was born in the foothills of the Himalaya Mountains, Dube hails from the Kings Range mountains of Humboldt County where by the age of 3 he had developed a love for reggae music. By 6 years old Ishi was already being primed for a career in the performing arts. At 17 he formed his first band, the Soul Rebels. A few years (and a few bands) later Ishi was blossoming into a legitimate vocalist with a skilled band performing live at clubs, events and festivals. Now 26, Ishi Dube is bringing a genuine roots sound with an newer dancehall edge to the reggae massive everywhere. The release of his self-produced debut album, "MASSAGANA - Thanks and Praise" mixed with his natural talents and hard work will ensure this soul rebel has a promising career ahead of him. Appealing to people regardless of class, color or creed, Ishis lyrics range from political, to spiritual, to words of social change and the message is always positive. More love, everytime.
