From hawaiian style to hillbilly and rockabilly - Flatfoot Shakers singer Kieron McDonald is backed up by The Roundup Boys . 14 MP3 Songs COUNTRY: Traditional Country, ROCK: 50's Rock Details: Kieron lived abroad in Europe from '91 to '95 where he was able to soak up influences (and some fine German beer) from the European Rockabilly scene. Upon returning to his homeland in Australia in '96 he started laying down the foundations for the Flatfoot Shakers by building up an initial set of obscure and classic '50s Rockabilly/Rock'n'Roll. Kieron spent many a night as a young nipper listening to his Dads old Country records which led to other discoveries such as Rockabilly and Rhythm and Blues. Artists of influence include Johnny Horton, early Elvis and that great Sun Rockabilly sound. Kieron is the singer/song writer for the band and loves sitting back with a glass of bourbon on the weekend listening to his old records... Kieron recently played the High Rockabilly festival in Spain (Sep '05) supported by Spains fantastic trio "The Nu Niles" during a recent visit to Europe. At that time he was invited to record a solo album for Rhythm Bomb Records in Germany with local house band "The Roundup Boys". The results of this recording sessions can be found on this little platter called Island Girl.
