Details: Welcome to LA Studiobeats. Here you'll find some of the most awesome and unique beats ever created for non-exclusive use in audio CD format. All tracks recorded,edited and mastered in top rated protools studio. Clean and thick sound with hard hitting elements just like the big names use. If you are a rapper or singer at "any" stage in your career. You will find this material useful to display and demonstrate your skills. Some people just dont have the budget to payout good money to professional beatmakers and music producers on the clock. With LA Studiobeats. You'll have the option to work off of the finished beat-loop provided or you can dig further and reconstruct the beat by reassembling the loop part by part as provided along with each track program. So not only will you get the original beat-loop but you will also get just the drums breakbeat separately and then the basslines,synths,strings/FX and so on. This way. You can customize the audio files any way you like. LA Studiobeats is license and royalty free. Anyone can use it. Others that will find great use from this CD are lyric writers and ghost writers needing original music to display their compositions,producers in the music film/TV industry looking for easy to work with clips for specific scenes. Also great use for PSA drops and ads for radio and cable networks etc. How about background music for a hip fashion show and more.... LA Studiobeat Vol.II comes with 10 fresh tracks all covering different moods of urban music including: East/West/Gutta/Gangsta/Club Bangers/Ridin tracks/Reggae Dancehall and more..... If you like Dr.Dre/Scott Storch/Jazze Pha/Alchemist and others you'll love this beat CD. Be the first on your block to pick up your copy of LA StudioBeats Vol.II today for only \$10 bucks plus S/H.
