Alternative Christian rock that makes you want more. 11 MP3 Songs ROCK: Rock Roll, SPIRITUAL: Christian Rock Details: Rough Draft pushes the envelope with their alternative rock sound. Blending the melodic tones of the acoustic guitar, Powerful Lyrics, Crunching power of the electric guitar, creative bass riffs, Latin inspired percussion and amazingly powerful vocals has people calling their music everything from high energy rock to edgy pop. But what separates Rough Draft from other bands is their Mission. Four Teenagers from Fort Collins Colorado are establishing themselves as a powerful ministry that challenges the churched and encourages the lost. There high energy show and dramatic worship style allow them to communicate the Gospel in a way that is positive and refreshing. The ability to be ..real.. with there audience is connecting people from all over the world with the ministry of Rough Draft. With the release of their debut Album ..Not Far Away.. recorded at the famed Blasting Room (Rise Against, Puddle of Mudd) by Andrew Berlin and Mastered by Jason Liver more the band is excited to see what God has planned for them. At 16 and 17 years old, hundreds of demo's sold, a debut album to promote, a hardcore message of a Grace From Jesus Christ and over a 100 shows in the last year, God is good!
