

Mp3 Sandeep Raval - Nadopasna Worship Through Sound

[DOWNLOAD HERE](#)

Nadopasna, the worship of sound, is an ancient tradition, helping individuals experience internal realisations and ultimately moksha, liberation of the soul. 6 MP3 Songs WORLD: Asian, WORLD: World Fusion Details: Nadopasna, worship through sound, is an ancient tradition, helping individuals experience internal realisations and ultimately moksha, liberation of the soul. As a form of devotional mediation, it blends three components of music, tone, rhythm and harmony, to create a symphony of bliss and an aura of peace. This compilation of work is based on Swar Vishvam, a concert performed in the presence of Morari Bapu in July 2006 at the Ram Katha organised by the Jalaram Charitable Trust in Leicester. It has been conceptualised by composer Sandeep Raval and inspired by Hasu Manek. Sandeep Raval the most versatile multi instrumentalist composer extreme diversity of styles and experience" he has performed many major live events; name a few festival of India in Moscow, featuring 3000 acts. Sandeep's knowledge of the rhythms from the differing regions of world provided an invaluable starting point for the various compositions on albums Tigers Of The Raj, Feet In The Soil II, Raising the Rhythm, Drums On Fire etc. Sandeep performance including famous Andrew Lloyd Webbers Musical Bombay Dreams The Far Pavilion. Sandeep is also presenting his original concepts as live performances Swar Vishvam, Gujarat A Celebration at Royal Albert Hall, A Blessing (historical musical show 60 piece symphony) and Nadopasna (Leicester), more upcoming world dance albums and events please visit his official web sandeeppraval.com
