

Mp3 Paul Knapp Jr. - Rapture Of The Deep - Humpback Whale Singing

[DOWNLOAD HERE](#)

This CD provides a unique opportunity to hear the authentic sounds of humpback whales. There is no background music, only whales. 8 MP3 Songs NEW AGE: Environmental, WORLD: World Beat Details: Includes the special, nearly 25 minutes, "One Humpback Whale", an excellent recording of a close whale, just a few hundred yards away, originally recorded on digital audio tape, giving the whale great presence and clarity. Recorded near the Virgin Islands from a small inflatable boat, using a professional hydrophone. 72 minutes, very good song diversity. People who are interested in should consider this download.
