Gong Bronze Troupe that are shaking NYC play with transformational intention and innovative Singing Bowl styles and sculptures with gentle pulsing gongs and more. Ambient Metals. 14 MP3 Songs WORLD: World Fusion, NEW AGE: Meditation Details: Embark with Himalayan Voices on a quest of alchemy through the Mystery of Metal spirits and sounds, where the questions are more important than the answers! This was the formative first Himalayan Voices CD which features Singing Bowls played in innovative ways with transformational intention. Pieces include the play of Sounds Sculptures with matched bowls sets, use of "water bowls", and much more. Sometimes a melody from a native flute or other instrument will float, as in "New England Journeys". This CD is recognized by folks like Steven Hill of Hearts of Space as one of the finest and unique Singing Bowl based CDs available. No band on the planet is laying down boundary breaking good vibrations like the Himalayan Voices. Himalayan Voices play unique ambient metals Trance-Formational shows, which provide easy access to alpha state trance and balancing deep body sonic massage. While their our Bong-A-Gong Theater is a "Bronze Man Group" that offers flying gongs meeting water canons and an assortment of other fun-sonic entertainment. Himalayan Voices also serve by donating their deep sonic feel in shows for the deaf, in-water performances, and by resonating every full moon at the home of Allyson Alex Grey to raise funds for The Chapel of Sacred Mirrors.
