CD 2 of a double mantra CD, recorded live at the magical European Yoga Festival, led by various musicians and chanted by more than 1000 people. 9 MP3 Songs in this album (79:39) ! Related styles: NEW AGE: Meditation, SPIRITUAL: Mantras People who are interested in Krishna Das Deva Premal Snatam Kaur should consider this download. Details: The European Yoga Festival is held each year in the beautiful grounds of a country estate in the Loire Valley, France. More than 1000 people come together to practise Kundalini Yoga, White Tantric Yoga and other activities related to the teachings of Yogi Bhajan. This album captures the voices of the musicians who led mantras in 2007 as well as the voices of the sangat (community) chanting with them. It is intended to be a vibrant and vibratory document of the festivals magic unfolding through the sound current. If you must do sadhana by yourself, then while you are chanting, imagine a million others all around you. Yogi Bhajan
