Pop with a message a request for help. 1 MP3 Songs POP: Folky Pop, POP: 80's Pop Details: Frank Walker, Vice President of the Prune Belly Syndrome Network, noticed how many of the visitors to prunebellyexpressed both relief and surprise that there were others with the syndrome, that they were not the only ones born with this condition. Having PBS himself, he had not met another with PBS until he was in his 30's. This inspired him to write "Not the Only One", a song about living with this condition, from which he CD Baby are donating ALL of the proceeds to the Prune Belly Syndrome Network to help others know that they are not alone!
