Hi from Timm Miller & Louis Allport, Want a lot more Google traffic to your websites ... for free? Well - while most people are talking about AdWords and Search Engine Optimization, there's some less known (but still very powerful) ways you can get free traffic from Google - and importantly, to benefit from these tactics: *You don't need to be a Search Engine Optimization specialist. *You don't need to spend a small fortune on AdWords getting clicks. *You don't need to be a techie. *And amazingly - you can start benefiting right now even if your site is brand new and has no links pointing to it! Sound impossible? Well, you may be surprised... How To Easily Get Stacks Of Google Traffic For Free Here's a taster of how just one site is using these 'hidden' Google tactics to easily get tens of thousands of visitors for free: This site has discovered an area of Google that gets a ton of traffic - but - where there's not much competition... yet. This makes it pretty darn easy for them to get stacks of free traffic from Google. This is just one out of many businesses quietly using the 'hidden' areas of Google to get mounds of free traffic. Would you like to start benefiting with these Google traffic secrets too? Well... These incredibly powerful yet very easy-to-follow Google traffic secrets come in the form of eight brand new videos you view directly at your computer. I've bundled these powerful videos into a product called How To Get A Lot More Google Traffic For Free: These eight videos come to a total playing time of 73 minutes. Here's a quick run down of exactly what you get: Video One (6 Minutes) In this video you'll discover little-known tactics for getting stacks of free traffic from the very popular Google News. Video Two (9 Minutes) Here you'll discover how small changes to the graphics on your website can bring you a LOT more free traffic. Video Three (18 Minutes) In this video you'll discover how to get up and running with Google Sitemaps in the next 15 minutes (very important if you want MORE Google traffic). Video Four (7 Minutes) Here I'll talk you through some amazing tactics sites are using to get stacks of free traffic from Google Video. Video Five (10 Minutes) In this video I'll talk you through one of

Google's newest areas that many people are ignoring - but - if you know the secret you can get piles of free visitors from it. I'll also show you one site's private tactic that is driving thousands of visitors to their sites for free. Video Six (5 Minutes) Here I'll talk you through how to get free traffic through Google's popular price comparison search engine. Video Seven (8 Minutes) In this video I'll talk you through a dead easy tactic you can start using right now to bring free visitors to your site. It works immediately. Video Eight (10 Minutes) Here I'll talk you through how if you sell any types of books, eBooks or reports online, you can boost your visitors and sales for free. ****For PC's Only - Not For Mac**** I must tell you that this eBook only works (to my knowledge) on PC's. If your computer is running Microsoft Windows, you won't have any trouble at all viewing this eBook successfully. However, if you're on a Mac you'll more than likely have trouble viewing it. Please Note: To view the video content of the ebook you must be connected to the internet. A Great Product + Resale Rights = BIG Profits For YOU I'm sure you know there's a ton of eBook resale rights around these days. BUT - if you really want to make money selling an eBook you have rights to, you need: *A very high quality product. *An effective sales letter. *A professionally designed website with great looking graphics. Get your copy now, start promoting it immediately and you'll make the most profits. Wait a day or a week or a month, and literally more and more profits will pass you by. Now, I'm certainly not saying this to brag, but I wrote this sales copy, and my copy has sold hundreds of thousands of dollars worth of products online, if not millions of dollars worth. AND - from very affordable eBooks like this one. Don't believe me? Then search ebay now for "Louis Allport" and see what you find. Now, ebay's listings fluctuate for many reasons. But right now (as I'm writing this), I see several hundred listings selling my products. And just by having a copy of this product, you can sell it or present it pretty much any way you choose. You can even turn it into a physical product by putting it onto a data CD or a DVD. This would make it a good way to sell on eBay. It's totally up to you! If you're interested in the resale rights and selling this product yourself, I'm sure you realize that the sooner you get a copy, the more you will profit. The longer you wait, the more your competition will pick off your customers. This video eBook normally Retails for \$24.95. But you can get it for only \$4.94! There is nothing to risk! If you are not completely satisfied. I Will Refund All Your Money Back To You! All you have to do is purchase this video package and start watching.
