Fabulous dramatized stories starring the Tooth Fairy that delight and educate children -- put it under the pillow for an extra special tooth fairy surprise. 4 MP3 Songs KIDS/FAMILY: Kid Friendly Details: Tooth Fairy Tales is a fabulous, quality CD starring the Tooth Fairy! Children love it! Four clever adventures entertain their young listeners while quietly encouraging good nutrition and dental health. Tooth Fairy stars as a clever, nonviolent heroine who outsmarts evildoers like the Cavity Monster and Bad Breath. All the stories are enhanced with fun, humorous sound effects. Tooth Fairy Tales is especially fun when found under the pillow as a gift from the Tooth Fairy! It also makes a great gift from grandparents. But whoever gives Tooth Fairy Tales, your kids will love listening to it. You can even play it in the car on long trips and your kids will stay quietly entertained. Tooth Fairy Tales is the creation of an award-winning television consumer news producer. Her sensitivity to quality products is only one reason for Tooth Fairy Tales success. She is also a mother of two children, and was once a dental assistant and writer for a dental consulting company. It's common knowledge that children are fascinated with losing their teeth. Is there any first grade classroom that doesn't have a "tooth loss" chart? Parents and grandparents say they long for a special gift to give their children at this landmark event. And Tooth Fairy Tales is it! Wonderfully entertaining, it fills the glaringly huge gap in fun tooth fairy products.
