URBAN/R&B: Contemporary urban, JAZZ: Jazz Vocals Details: Every once in while a truly unique talent comes on the music scene, and there is one by the name of Ronnie "Raheem" Moss, who has a masterful style and a true smooth tenor that is incomparable. Ronnie has returned for the 3rd Album of his career that's entitled Fools Paradise which encompasses smooth harmonic vocals, soulful love ballads with contemporary jazz grooves and rhythms with a touch of hip-hop rhythms. The latest album, released in May of 2004, "Fools Paradise" was a collaboration with his son Yukima LuSane-Moss in composition and production. Fools Paradise is a mixture of smooth harmonic vocals, soulful love ballads with contemporary jazz grooves and rhythms with a touch of hip-hop., "Fools Paradise". Ronnie discovered his talent in Junior High School in Flint, Michigan and he started singing in the church and school choir, and playing percussion. His talent got him recognition in local and state musical competitions. In High School he was a member of the singing group the Velvetones which were the most notorious singing group in Flint, Michigan after achieving success with the group he turned down a scholarship to sing in the Air Force to attend the University of Michigan, majoring in business. He later received an Associate degree in Audio Engineering. Ronnie has had the opportunity to play percussion with Roy Ayers, Marion Meadows, Orange Lake Drive, and also had the opportunity to open with the Dramatics. In 1996, he decided to move to Atlanta to further his career. Since his move to Atlanta, Ronnie has released three albums and is working on his fourth which will be titled "Fire." His first album, "I Want to Thank You," which was released in 1995, encompassed all R & B ballads. The second album entitled "Spicewater," released in 2000, was a collaboration with several musicians from the Atlanta area. It was a Jazzmatic album with slow ballads to spoken word with a splash of funk. Spicewater sold copies overseas in Germany, Italy, Japan, and Switzerland. Years later in 1996 Ronnie decided to move to the metro Atlanta area to further his career. As an accomplished percussionist, and keyboardist Ronnie has been endorsed by such products as LP Percussion and Vic Firth Drum sticks and products, he has written songs, produced and

engineered songs for many artist from Michigan to Atlanta. So just sit back and check out the new music and vocals for 2004 of Ronnie "Raheem" Moss's "Fools Paradise."
