[DOWNLOAD HERE](#)

Guitarist and singer, he interprets tangos, milongas and Argentine folk music, as well as his own compositions. 13 MP3 Songs in this album (46:41) ! Related styles: WORLD: World Fusion, LATIN: Tango People who are interested in Egberto Gismonti Ralph Towner Vicente Amigo should consider this download. Details: Narciso Sal Music of Argentina guitarist, singer, composer, conductor, arranger Singular guitarist and singer, he interprets tangos, milongas and Argentine folk music as well as his own compositions (World Music). Influenced by the great modern tango creators, his music is close to jazz and improvisation, and it also explores the milonga, milonga-candombe, zamba and chacarera, Argentine rhythms stemming from African music. After many years of touring with different ensembles, he started his solo career in 2002. At the moment he plays in different countries across Europe where he also joins in duos, trios and ensembles to play his own arrangements for bandoneon, violin, flute, double bass and percussion. This CD is the second part of "El Tango de Narciso", Sal's first solo album; it keeps the same structure, while adding Narciso's own compositions and the voice of tango singer Miguel Beraudi.
