

Dj Loops

[DOWNLOAD HERE](#)

Now youve got turntables.. The DJs Tool Box is a ripping collection of scratches, beats, turntable effects, vocal phrases, drum and bass jams, and sound effects. Many of the scratch loops are 4 bars long enabling the producer to build scratch solos or focus on quick one shots and phrases. Also included are a few deep underground beat patterns as well as a nice selection of vocal phrases and conversations. The DJs Tool Box drum and bass patterns also mix well with the many other sound effects and scratches found on this CD. Just \$29.99USD - Check out our samples... All scratches performed by Kyle Collins aka DJ K-OZ. Compatible with Apple Garageband - Garageband loops Please note - sample MP3 is an example of possible ways to combine loops to create a musical composition.
